OTHER RELEVANT EXPERIENCE/EXPERTISE

I have over two decades of experience in the non-profit space. My Clifton Strengths are: Achiever, Connectedness, Arranger, Belief and Strategic. All these attributes will enable me to serve in any capacity to make meaningful contributions.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

It is best to make proposals or suggestions once I have been acclimated to our beautiful city's needs. As a resident, traffic congestion is an issue as we are a growing city and with a city growing, traffic pains increase.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

The ability to collaborate and find solutions.

California State University, Long Beach	2001	2003	Master of Science, Student Development & Business

OTHER RELEVANT EXPERIENCE/EXPERTISE

I have experienced firsthand the many park amenities of our beautiful city. I have a 12 year old daughter who has attended summer recreational programs and day camps at the community center and Jacks Pond, Boys And Girls Club, and San Elijo Center. She is now a tween and loves to ride her bike at Walnut Grove, and has played for 4 years for the San Marcos Girls Softball who practice at Bradley Fields. She attended Twin Oaks Elementary and is now at Woodland Park Middle School; we have enjoyed visiting playgrounds, hiking trails, soccer fields, our two city swimming pools and we have taken a few fun classes together through the city.

I joined the City of San Marcos hiking program in 2021 and enjoyed hiking the P mountain, the views from Double Peak, the nature sounds at Discovery Lake and building community with fellow hikers.

As a current University Administrator, avid hiker and biker, and Master Gardener, I have expertise in facilities and budget management, plant knowledge, landscape design, and the unique needs of walkers, runners, hikers, and cyclists.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I would like to see the hiking and trails programs expand to meet the needs of people with different abilities like families with young children, and seniors or people with accessibility issues. I would also like to help expand information and outreach materials about recreation to our Spanish speaking communities.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

The most interesting aspect for me is that the commission gets to shape the recreational opportunities and facilities for our diverse community.

University of California, San Diego	2003	2010	PhD, Epidemiology/Public Health
San Diego State University	1998	2002	Masters in Public Health - Epidemiology

OTHER RELEVANT EXPERIENCE/EXPERTISE

I hold a Doctorate and Masters in Public Health degree in Epidemiology and have extensive experience as a chronic disease epidemiologist, including work related to the built environment and its impact on health of a community and the residents of that community. I have published research around prevention of childhood obesity in peer reviewed journals and understand the critical role that our parks and recreational programming play in reducing health disparities and risk of obesity. I have professional experience in program development and management as well as coalition development and collective impact initiatives. As a Manager within Prevention and Support Services with the County of San Diego HHSA Behavioral Health Services, I strive every day to make our communities healthy, safe and thriving for all residents.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I continue to look towards aquatics facilities planning in the future for the residents of our city. Completion of planned parks as part of the Parks Master Plan, with strategic resource identification is something I look forward to and look forward to future trails investments. Inclusive outreach and engagement in all the programming available is something I look forward to supporting as a commissioner.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

The opportunity to connect with residents in San Marcos and bring forward insights to inform parks and recreation planning and programming is one of the most interesting roles as a commissioner for me. I truly enjoy with my family all the trails and parks available in San Marcos and always enjoy hearing feedback on programming activities and potential improvements that my fellow residents may have so that we can offer the best experiences and facilities for all who live in our community. Engaging with fellow residents in San

OTHER RELEVANT EXPERIENCE/EXPERTISE

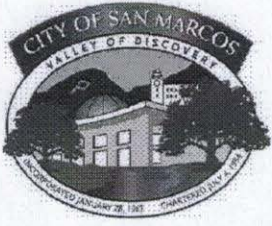

- SMUSD Local Control Accountability Plan Task Force, 2014-2020. Made recommendations for use of state LCAP funds to support student achievement.
- SMUSD Insurance Committee, 2009-2019. Reviewed insurance plans and selected options to be offered at open enrollment.
- SEMS School Site Council, 2016-2019. Reviewed school safety, student achievement, and LCAP expenditures at site level.
- California State Employees Association (CSEA) Chapter Public Relations Officer, 2008-2018. Maintained chapter website; wrote and edited chapter quarterly newsletter.
- CSEA site representative at SEMS, 2004-2022. Job steward duties.
- Knob Hill & Twin Oaks elementary PTO, SMMS School Site Council, district committees, 1987-2006. Girl Scout co-leader, 1987-1998.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I applaud San Marcos for its wise growth and emphasis on parks and trails, including pedestrian and bicycle paths. San Marcos must seek a wider variety of housing styles. While we need multi-story workforce units, we also need more affordable and low-income housing. We need more units that are truly ADA livable -- not simply accessible. We need to provide more one-story homes so that long-time residents, now aging, who wish to down-size and live without stairs can remain in and continue to contribute to our community. Future growth, especially project densities and building heights, must fit well with the current nature of San Marcos as a welcoming, spacious small city.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I value our Planning Commission's thorough discussions of projects and willingness to ask hard questions of presenters. I continue to learn so much about the many aspects of planning, approving, and implementing new project proposals.

California State University, Bakersfield	September 1990	June 1996	Bachelors of Science in Nursing
Grand Canyon University	8/1/2024	present	Masters of Science in Nursing Leadership

OTHER RELEVANT EXPERIENCE/EXPERTISE

I have been a proud resident of San Marcos for over ten years, raising my two sons here since they started kindergarten in our local school district. Our family has always loved the sense of community in San Marcos, and we believe it's an ideal place to raise a family. I am dedicated to helping San Marcos grow into a city where everyone, regardless of their background or culture, can thrive and enjoy a high quality of life.

In my professional life, I work as a nurse manager within a population health department, focusing on enhancing the quality of life for children throughout San Diego County. I've also served as the treasurer on my children's swim team board, where I enjoyed introducing new ideas to strengthen our team. I'm eager to bring my experience and commitment to serve the families of San Marcos.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

San Marcos offers many excellent programs that we can further develop. My goal is to ensure that all residents, regardless of their income or resources, have access to these opportunities. I am committed to advocating for equal opportunities for our children, believing that every child deserves the same chance at a successful future.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I am particularly drawn to the community foundation because of my deep commitment to supporting nonprofit organizations. Serving as a board member for a charitable group has shown me firsthand how a successful nonprofit can benefit its members and community. I led the effort to bring our swim team and booster club back to Palomar College after the pandemic, which has allowed the team to flourish, provided local children with a shared interest a place to connect, and created a feeder program into Palomar College. This experience has fueled my passion to take an active role in strengthening our community.

OTHER RELEVANT EXPERIENCE/EXPERTISE

Skilled leader with broad experience leading people and projects teams around the world including:

- * Developing winning pricing strategies for multi-billion dollar contract opportunities,
- * Leading a project team in Iraq for a year,
- * Responsible oversight of 264 home community here in San Marcos,
- * Responsible oversight of a \$1.5 billion Credit Union serving the San Marcos community,
- * Active member of San Marcos Community Emergency Response Team (CERT),
- * Active leader of San Marcos Community Foundation, responsible for significant improvements,
- * Coaching San Marcos AYSO soccer teams

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

As a Dad to active kids, I spend a lot of time in our community whether at the parks and sports fields for baseball / softball / soccer / swim practice, as well as driving on the busy streets to get there. I see first hand the quality of the park facilities and the streets and see that they need additional attention. While none of us are a fan of tax increases, it is now important that the revenue from Measure Q is used responsibly, and as you can see from my experience, I am more than qualified to step up to this task.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

Measure Q Citizens Oversight needs experienced leaders with strong analytical skills and from my experience you can see that I am the ideal candidate having led diverse people and projects worldwide.

AECOM	2023	2024	Renewable Energy
Rivian Automotive			Electric Vehicles
Center For Sustainable Energy			EV and Renewable Energy
Bechtel Corporation			Public Infrastructure and fund management

OTHER RELEVANT EXPERIENCE/EXPERTISE

While at Bechtel, I was a member of the leadership team of a national PMO to rebuild the infrastructure of the country including development of green energy programs. I established all internal operations and systems to manage contracts and grant activity up to \$1B in annual spend through cash inflows from government funds, external investor funds, sovereign wealth funds, World Bank loans, third-party/NGO grants, and philanthropic donations. I worked in a similar capacity to issue and manage grants to scale up infrastructure solutions. I also set up the communication plan and reporting tools to communicate with donors/funders. I had a front row seat collaborating with ambassadors and government leaders from France, Russia, China, Qatar, Saudi Arabia, and other nations looking to provide grant funds to develop energy and infrastructure projects. I later conducted similar work in Saudi Arabia. I helped setup an infrastructure management agency to manage public funds to effectively execute capital projects across the kingdom. I look forward to bringing the same level of due diligence to manage Measure Q funds as well. For the past five years I have also worked with municipalities across the United States, especially California on Climate Action Plans and the actions required to implement those plans.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

Climate Action plans, Infrastructure Resilience for future water and energy scarcity

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

The opportunity to bring my decade of experience to benefit the City of San Marcos

American Bankers Association (ABA) / University of Pennsylvania / Wharton School	2024	2026	Executive Banking School

OTHER RELEVANT EXPERIENCE/EXPERTISE

Majority of my professional career is in financial services and technology (14+ years), including cybersecurity, vendor management, third-party risk assessment, continuity planning, workforce management, corporate real estate, program management, accounting, tax, audits, and strategy.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I would like to see expanded investments in sustainable energy initiatives, such as solar panel incentives and electric vehicle charging infrastructure, to make San Marcos a leader in green energy solutions. Also, improving access to affordable housing programs and resources is essential to support the diverse and growing population of our city.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I'm interested in the Planning Commission because I have a passion for contributing to the growth and development of my local community. Serving on the committee would allow me to leverage my experience in strategic planning and volunteerism to help shape the future of San Marcos, ensuring thoughtful and sustainable development. I'm eager to collaborate with other to create a balance, vibrant community that serves both current and future residents.

OTHER RELEVANT EXPERIENCE/EXPERTISE

For the past almost four years, I have held the position of the Alternate Position on the Traffic Commision at the City of San Marcos, where I worked closely with traffic management professionals, city planners, and the community. In this role, I gained comprehensive experience that directly aligns with the responsibilities of the Traffic Commission. I would like to to be considered to be appointed to a permanent position within this commision.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

Traffic Safety and Pedestrian Infrastructure.

Continue the implentation of the Active Transportation Plan with the city staff.

Engage the community and represent them at each meeting.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

Working as part of a diverse team, the commission often collaborates with city planners, law enforcement, transportation experts, and the public to address pressing traffic issues. This collaborative environment fosters creative problem-solving to tackle complex challenges like congestion, accident hotspots, and public transit inefficiencies.

JOHN ROBERT MOSHER

Accountant, Project Planner and Manager with Utility, Municipal and Construction Expertise, Retail Hardware Buying Experience, and Consulting

PROFESSIONAL EXPERIENCE

ACCOUNTING CONSULTANT

2009 - 2012

Accounting, Finance & Tax Consulting

Consulted for various individuals on accounting, finance and tax questions. Researched varied items using Excel, for questions that were asked. Kept updated through membership in the Institute of Management Accountants, Journals, CPA update for testing, Industry magazines, multiple specialized textbooks and online research. Performed analysis and reconciliation with system queries and reconciliation through system queries, research and investigation of reconciling items and resolution.

SEMPRA ENERGY, San Diego, CA

2003 – 2009

Project Planner, SDG&E

2005 – 2009

Planned all projects in service territory; worked with clients including the state and all municipalities for a cost conscious and timely completion. Used Excel and an ERP program for the planning work.

- Planned, designed, developed, coordinated and managed additions and modifications to company gas and electric facilities from onset through completion of project without step by step instructions.
- Prepared construction documents with safe, reliable and cost-effective designs that conformed to company and municipal standards, safety orders, and governmental regulations with Excel.
- Met with government agencies, clients, client representatives and other utilities in planning and coordinating additions and modifications to gas and electric infrastructure.
- Performed engineering calculations, conducted field investigations, determined system integrity and growth potential, managed costs, developed strategies to meet construction schedules, consulted on complex issues and negotiated agreements and costs responsibilities with little oversight.

Staff Accountant, Sempra Global Parent

2004 – 2005

Handled Sempra Global Parent & Sundry accounting on a daily, monthly and yearly basis.

- Reviewed and created journal entries in Hyperion, perform research and analysis.
- Worked with multiple companies and departments on all transactions using Excel applications.
- Created all tax and reporting documentation for all phases of company business using Excel.

Staff Accountant, Sempra Solutions

2003 – 2004

Oversaw all gas and electric commodity reconciliations on a daily, monthly and yearly basis.

- Reviewed and posted large amounts of data in Excel preparing for all commodity transactions.
- Research discrepancies using analysis through system queries, research to reconcile for month-end close.
- Analyze, interpret and communicate for month-end close and management reports as well as weekly staff meeting updates.

Staff Accountant, Sempra Energy Parent

2003

- Reviewed and created daily postings of all wire transfers, deposits and transactions.
- Worked with multiple companies and departments on all transactions using Excel applications.
- Assist in accounting and reporting activities, reporting documentation and special projects assigned.

QUALCOMM INC., San Diego, CA

2002

Global Business Consultant

Served on a four person team responsible for providing benchmarks of the logistical aspects of creating new businesses in China.

- Researched China's emerging markets for potential business opportunities.
 - Compared competing companies and methods of transportation for shipping computer chips into China.
- Provided Qualcomm with the top five transportation companies projected to do business in China.

COLLEGE OF BUSINESS, San Marcos, CA

2000 – 2001

Graduate Program Assistant

- Performed general office duties for new student intake, interactive communications and assistance.
- Coordinated special quarterly information sessions for potential new additions to the program.
- Worked with Admissions Office and multiple departments to expedite new student additions.

STAR BUILDERS SUPPLY, San Marcos, CA

1997 – 2000

Lumberyard Foreman

- Oversaw all lumberyard operations, shipments and merchandise protection from the weather.
- Managed customer service and sales and responsible for merchandise inventory and control.
- In charge of purchasing and buying specialty hardware items for contractors.

TRUE VALUE HARDWARE, Rancho Bernardo

1993 – 1995

Hardware Sales Floor Clerk

Customer service, buying, inventory, ordering, stocking, worked all areas of store. Inside and outside sales and performed in home installations. Bought special order items not normally in store inventory for customers. Taught customers how to use our tools and install plumbing and electrical items.

JAY H. FOLTZ DEVELOPMENT, El Cajon

1990 - 1992

Construction Manager

Created construction portion of our Design & Build business. Interviewed and chose contractors, set up contracts for all phases of construction. In charge of buying, estimating, ordering, scheduling, protection of materials on site and customer service. Was main point of contact for all clients. Tracked down and bought special order items like Baldwin Hardware for high end custom doors. Main buyer for all goods delivered to site necessary for construction.

ONCKEN & SONS CABINET SHOP, San Antonio

1988 - 1990

Computer Designer and Customer Sales and Service

Operated a specialized computer design program for custom cabinets. Point of contact for contractors, vendors, home owners, ordered specialized materials per design. Located and bought specialty hardware for high end custom cabinets and doors.

WKM DEVELOPMENT, San Antonio

1984 - 1988

Assistant Project Manager

In charge of plan estimating, buying, scheduling, oversee contractors and workers. In charge of needs of onsite superintendents for high end residential homes, office condos and tenant lease finish out for our office building. Set up office help as we phased into our own development. Main buyer for all buildings under construction. Responsible for locating goods needed throughout the United States for our million dollar homes and purchasing them and coordinating delivery in a timely manner.

HANDYMAN HARDWARE STORES, San Diego County and Phoenix

1976 - 1984

Floor Manager of Large/Big Box Hardware Stores

Was trained and rotated through all departments of the hardware stores. Helped with set-up and layouts for new stores and remodels of older stores. In charge of customer service, employees, cashiers, ordering and buying, scheduling, and stocking. Specialized in merchandise layout and design of new vendor's merchandise that was used by our district manager to send out to other stores to redo initial layouts included with merchandise. Also bought hardware items specialized to different subdivisions in my store area.

PRIOR EXPERIENCE

Held progressively responsible construction project management, buying and planning positions working with all municipalities for a successful and timely completion of all projects. Provided exceptional customer service to management, other departments and the public without oversight on my own. Used my Hardware store expertise and knowledge to accomplish a successful construction background.

EDUCATION

Bachelor of Science in Business Administration, Cumma Sum Laude

Option in Accountancy

California State University San Marcos

Associate Degree in Accounting, Palomar College, Cumma Sum Laude

CERTIFICATIONS

Certificate in Accounting, Palomar College.

Certificate for Estimating large municipal and construction projects. Manipulated large amounts of data.

TRAINING

PROFESSIONAL DEVELOPMENT

Currently studying the Army Corp of Engineers EM-385-1-1 Handbook.

Member of Institute of Management Accountants in northern San Diego County.

Earned a Class B General Contractor's License in 1992, currently inactive.

COMPUTER SKILLS

Microsoft Professional applications including Word, Excel, Access and PowerPoint, Hyperion, Lotus 123, SAP, Great Plains, Allegro, Excelergy, Eb, Word Perfect, Quatro Pro, Peachtree, Cabinet Ware and CAD programs.

COMMUNITY ACTIVITIES

Tutored math at the San Marcos Middle School while attending Palomar College.

CSUSM Accounting Society President in 2002.

IMA Board Member from 2002 through 2003 and 2010 through 2012.

Currently an IMA Chapter member.

LANGUAGES

Studied Intermediate Spanish in College.

	START DATE	END DATE	
North County Philanthropy Council	2/2024	6/2024	
~~San Diego Chamber Lead SD Impact Program~~	~~9/2024~~	~~current~~	
San Diego Chamber Lead SD Impact Program	9/2024	current	

OCCUPATION/EDUCATION HISTORY

ORGANIZATION/SCHOOL	DATES SERVED		TYPE OF BUSINESS/DEGREE
	START DATE	END DATE	
CBS 8 KFMB-TV	2/2020	current	News and entertainment provider
Louisiana State University	8/1996	5/2001	BA Journalism and Marketing/Advertising

OTHER RELEVANT EXPERIENCE/EXPERTISE

As Community Affairs Director at CBS 8 KFMB-TV, I've had the incredible opportunity to work with non-profits throughout San Diego County.. some of which are in San Marcos (Project Next for example). Helping our local non-profits is not only part of my occupation, but it's also my passion. Under my lead, CBS 8 has organized and volunteered at numerous Community events (blood drives, environmental cleanup efforts, military food and clothes drives, etc). I am also in charge of our parent company's Community grant program for San Diego where I work to identify top local non-profits and award them with grants from the TEGNA Foundation. I feel that my knowledge of local non-profits and experience with the foundation process would make me ideal for the San Marcos Community Foundation Committee.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I am new to the San Marcos area with my family moving (from Del Mar/Carmel Valley) just a few weeks ago. I look forward to getting more involved with our new Community and hope I can do that through the committee.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I'm most interested in this committee because I can use my passion and experience to help people in the community that my family and I now call home.

I volunteer for the Human Society as a Humane Policy Volunteer. (Legislative)

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I would like to see the city focus more on our community's natural habitat. Create community gardens for essential pollinators including butterflies, bees, and wasps. Plants aid in their migration. Many individuals in our community do not have yards or space to grow these essential native plants. Additionally, I would like to see our city work to ban toxic chemicals and insecticides that harm our ground water, oceans, insects and wildlife. Removing glue traps from big box and small stores.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I am very interested in becoming a voice for the future of San Marcos. I would like to contribute ideas of how we can better our community moving into the next 10 years. Design wise and the buildout of our city.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

Planning Commission City of San Marcos 1 Civic Center Drive San Marcos, CA 92069

Dear Members of the Planning Commission,

I am writing to express my strong support and keen interest in the planning program aimed at further developing the educational institutions and medical facilities within the City of San Marcos. As a resident deeply invested in the growth and prosperity of our community, I believe that enhancing these key sectors will significantly benefit both current and future generations.

The City of San Marcos is fortunate to be home to esteemed educational institutions such as the University of California, San Diego (UCSD), San Marcos Campus, Palomar College, and San Augustine Medical College. These institutions have a profound impact on our community, fostering academic excellence, research innovation, and workforce development. I propose that we further invest in these educational pillars by expanding their facilities, enhancing research capabilities, and increasing accessibility to higher education for all residents. By doing so, we can attract more students, faculty, and researchers, thereby strengthening our city's reputation as a hub of academic excellence.

Moreover, the development of our medical facilities is equally crucial. Establishments such as Sharp Hospital, Scripps Clinic, and other local healthcare providers play a vital role in ensuring the well-being of our residents. I advocate for the expansion and modernization of these medical facilities to meet the growing healthcare demands of our community. By incorporating state-of-the-art technology, recruiting top medical professionals, and enhancing patient care services, we can ensure that San Marcos remains at the forefront of healthcare innovation.

In conclusion, the coordinated development of our city's educational and medical facilities will have a lasting positive impact on our community. I urge the Planning Commission to consider these proposals and work towards creating a comprehensive plan that supports the continued growth and development of San Marcos. Thank you for your time and consideration.

Sincerely,

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

Here are some of the most interesting aspects of a planning commission:

1. **Community Development:** Planning commissions play a crucial role in shaping the growth and development of communities. They review and approve proposals for new developments, ensuring they align with the community's vision and goals.
2. **Zoning and Land Use:** One of the key responsibilities is to oversee zoning regulations and land use policies. This involves designating areas for residential, commercial, industrial, and recreational purposes, balancing the needs of different stakeholders.
3. **Sustainability and Environmental Planning:** Many planning commissions focus on sustainable development practices. They work to incorporate green building standards, renewable energy initiatives, and environmental conservation efforts into urban planning.
4. **Public Engagement:** Engaging with the community is a vital part of the planning process. Planning commissions often hold public meetings and hearings to gather input from residents, ensuring that development plans reflect the community's needs and desires.
5. **Economic Development:** Planning commissions often collaborate with local businesses and organizations to promote economic growth. They help create opportunities for job creation, attract new businesses, and support existing ones.
6. **Infrastructure and Transportation:** Ensuring that infrastructure and transportation systems can support new developments is another key aspect. This includes planning for roads, public transit, utilities, and other essential services.
7. **Historic Preservation:** Preserving the cultural and historical heritage of a community is often a priority. Planning commissions work to protect historic landmarks and districts while accommodating new growth.
8. **Housing and Affordable Living:** Addressing housing needs and ensuring access to affordable housing is a critical concern. Planning commissions develop policies to promote diverse housing options and combat issues like housing shortages and gentrification.

These aspects make the work of planning commissions both challenging and rewarding, as they balance various interests to create vibrant, sustainable, and inclusive communities

Momo Savovic

Nomination for the Planning Commission, City of San Marcos

Term Expires:

| Phone

Biography

Mr. Savovic has more than 35 years of national and international experience in consulting engineering with experience including infrastructure evaluation and assessment; project management; organizational assessments/facilitation services; planning; design; and construction management. Mr. Savovic is tri-lingual; he speaks English, German, and Serbian, lived in San Marcos since 2000 with a wife and two children. Last year he became a grandparent after his daughter married and relocated to Oklahoma City.

Volunteering experience

Mr. Savovic is the sitting President and chairman of the Board of Directors of CMAA (Construction Management Association of America) – San Diego Chapter. Mr. Savovic Joined CMAA in 2003 and served as a Student Outreach Committee Member in 2009-2010. During that period, Mr. Savovic was representing CMAA at regular CTA Academy Board meetings. Also, he was sitting in a student midterm and final exams as a panel member. Mr. Savovic participated actively In CTA curricula development by volunteering to sit in relevant classes as an Industry specialist providing students with valuable real-life insight and sharing CM experience. Mr. Savovic actively participated in the 2010 CMAA National Conference in San Diego, Oct 3-5 as a host of several events. Mr. Savovic has been an active member of the AAEE since 2003. In 2010 Mr. Savovic was elected to a panel that evaluated annual AAEE award applications. The evaluation process involved reviewing 30 applications and ranking and scoring all of them based on review criteria. Mr. Savovic is a certified program evaluator for ABET. In 2016 ABET is expecting evaluation of several universities in the certification process and Mr. Savovic will volunteer his services as a certified professional.

Mr. Savovic is a Registered Professional Engineer in the states of California and Washington, as well as Alberta, Canada. Currently, he is the California region Practice lead with Kimley-Horn. Since 2014 he has been faculty at NSAD and serves as a part-time professor teaching BIM and heavy civil construction classes. He is also an AAEE (American Academy of Environmental Engineers) board-certified environmental engineer and CMAA (Construction Management Association of America) CCM (Certified Construction Manager).

EMPL: Palomar College	02/2001	05/2011	Counseling and Outreach Services

OTHER RELEVANT EXPERIENCE/EXPERTISE

Returned to service following first term on San Marcos Traffic Safety Commission, as noted; minor program of study during undergrad: Urban Studies and Planning; graduate coursework focused on postmodern urban development in San Diego County, including transportation planning related to the construction of Interstate 805 and redevelopment of neighborhoods impacted by the freeway.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

Deep interest in continuing the good work done by City in maintaining a workable circulation element in conjunction with developing opportunities for increased walkability, public transit, and options for bicyclists that balance the need for continuing support for automotive traffic as it currently exists.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I am always impressed by how dedicated our City staff are to ensuring the public's ability to participate and understand the "why" behind decision-making for traffic and circulation - continuing my service would allow me further opportunity to support this important work.

City of Carlsbad/Sr. Analyst-Utilities	2020	Present	Local government
City of Oceanside	2017	2020	Local government
City of San Diego	2012	2017	Local government-audit
University of Southern California	2010	2012	Master of Public Administration

OTHER RELEVANT EXPERIENCE/EXPERTISE

In my current role I am the Climate Action Plan liaison for the City of Carlsbad between the Utilities Department and the CAP Administrator. I manage the finances for a small hydro-electric generator and have some familiarity with community choice energy. I have worked in local government for 12 years, am a Certified Internal Auditor and am certified as a Grade 2 Water Distribution Operator with the State of California.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

I am curious to learn more about the role of the city or the Clean Energy Alliance in educating homeowners about solar install. Also, I am mindful of the risks of battery fires as local energy storage becomes more prevalent. I would like to see more consumer education in these areas.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I am most interested in how the city is balancing operational and budget constraints with compliance with CARB's Advanced Green Fleets regulation.

UC San Diego	Sep 2026	Jun 2011	Master of Science, Biomedical Sciences

OTHER RELEVANT EXPERIENCE/EXPERTISE

I was appointed a due diligence lead for the 2024 San Diego Angel Conference (SDAC). In that role, I organized a team of angel investors to to complete SDAC's a month long due diligence activity with one of the finalist companies. Our team produced a 30+ page report of our findings, which I presented to the conference. When the conference completed, I joined the NuFund Venture Group, which is an early stage investor group based here in San Diego.

Professionally, I have over a decade experience in the biotech industry and have been managing a team for over two year. I completed my MBA online earlier this year, which included courses in finances and governance.

Personally, my husband and I are raising two girls (aged 8 and 11) who both attend San Marcos Unified Schools, and we've appreciated and enjoyed the many services that the city provides, including community events and the many parks.

WHAT CITY PROGRAMS/PROJECTS WOULD YOU LIKE TO SEE IMPROVED OR IMPLEMENTED?

Overall, I think the city is doing a good job on their mission to improve the quality of life of those who live, work or visit San Marcos.

As the students / faculty live or work here, it would be great to see additional and joint activities between the city and our local colleges (Palomar and CSUSM). I think there may be some joint objectives around especially around small business creation/support and the city's climate action plan that partnerships could help achieve.

MOST INTERESTING ASPECT OF THIS COMMISSION TO YOU?

I would love to support the City of San Marcos in it's mission through participation in any one of the commissions. In particular, I appreciate the San Marcos Community Foundation's mission to seek and support a variety of nonprofit groups that enrich this community. I would love to apply my education and recent experience in due diligence to help this commission to continue to execute on this purpose.
